

22 February 2016

Dear Shareholder,

Offer by Enterprise Metals Limited to Participate in Share Purchase Plan

The Directors of Enterprise Metals Ltd (“Enterprise” or “the Company”) are pleased to invite you, as an eligible shareholder of Enterprise at 5pm WST on the record date of Tuesday, 16 February 2016 (“the Record Date”) (“Eligible Shareholder”) to subscribe for additional fully paid ordinary shares in Enterprise (“New Shares”), free of all brokerage and commission costs, under the terms and conditions of Enterprise’s Share Purchase Plan (“SPP”) enclosed with this offer.

Over the past few years, Enterprise has built a strong portfolio of base metal and gold projects in Western Australia at Doolgunna, Fraser Range (now joint ventured to Apollo Minerals Ltd, ASX: AON) and Darlot (partly joint ventured to IGO, ASX:IGO).

During 2015, the Company focused on advancing its copper/gold targets at Doolgunna, and will continue to do so in 2016. The Company has also recently been granted tenements at Yalgoo which are prospective for gold and other minerals.

As announced to the ASX on 17 February 2016, the Company is offering to Eligible Shareholders New Shares at an issue price of \$0.018 per New Share by way of the SPP, to raise up to \$500,000. Funds raised will be applied towards exploration work at the Company’s exploration projects, including ground EM surveying at the Ruby Prospect at Doolgunna, to be followed by drill testing where appropriate, and to cover the costs of the capital raising and provide working capital.

In addition to the funds raised via the SPP, the Company’s major shareholder, SinoTech (Hong Kong) Corporation Limited (“SinoTech”) has accepted an offer to take up a placement of 5.555 million fully paid ordinary shares in Enterprise (under the Company’s available ASX Listing Rule 15% capacity) at \$0.018 per share. The pricing for SinoTech’s placement of Enterprise shares will be identical to that applying to Eligible Shareholders under the SPP at \$0.018 per New Share. SinoTech has confirmed that it will not be participating in the SPP.

The Directors wish to give Eligible Shareholders the opportunity to participate in the SPP as part of the Company’s capital raising initiative. Eligible Shareholders will each be entitled to apply for up to \$15,000 worth of New Shares, at a subscription price of \$0.018 per New Share, which represents a discount of approximately 20% to the Volume Weighted Average Price (“VWAP”) for the last 20 days on which sales in Enterprise shares were recorded before the SPP was announced on 17 February 2016 (“the Offer”).

The market price of Enterprise shares may rise or fall between now and the date when the New Shares are issued in accordance with the SPP. If the market price of Enterprise shares falls, the subscription price of the New Shares to be issued pursuant to this Offer may not be at a discount to the market price on the date of issue.

The Directors see the following advantages for Eligible Shareholders in subscribing for New Shares under the SPP:

1. Shareholders may ‘top up’ their holdings to a marketable parcel;
2. No brokerage or transaction costs are payable on New Shares; and
3. The issue price will be at an approximately 20% discount to the VWAP calculated over the last 20 days on which sales were recorded on the ASX before the SPP was announced on ASX.

The Offer is non-renounceable, in that you cannot transfer your right to buy shares under the SPP to another person. However, your participation under the SPP is optional and you may elect not to participate at all, by doing nothing.

Each Eligible Shareholder may participate by completing an Offer and Acceptance Form and subscribing for one of the following offers of New Shares:

	Subscription Amount	Number of New Shares Applied For
Offer A:	\$2,000.00	111,111
Offer B:	\$5,000.00	277,777
Offer C:	\$10,000.00	555,555
Offer D:	\$15,000.00	833,333

The Directors have resolved to seek to raise \$500,000 under the SPP. However, the Directors reserve the right to reject any applications in whole or in part. Enterprise will return any application monies paid in relation to unsuccessful applications without interest.

To take up this Offer:

1. please read the enclosed Terms and Conditions of the SPP;
2. complete the enclosed personalised Share Purchase Plan Application Form specifying the number of New Shares you wish to apply for (up to a maximum value of \$15,000 of New Shares) and the total subscription price for those New Shares; and
3. send the completed Share Purchase Plan Application Form by 5pm (WST) on Thursday 10 March 2016, in the reply paid envelope provided, with your cheque made payable to **Enterprise Metals Limited**, and crossed Not Negotiable to Enterprise's share registry at:

Computershare Investor Services
GPO Box 505
Melbourne VIC 8060

Alternatively, you can use the BPay[®] facility as set out on the Share Purchase Plan Application Form. If you make a BPay[®] payment, you do not need to return the Application Form. Please note that New Zealand Shareholders having an Australian bank account can also use BPay[®].

Applicants should be aware that their own financial institution may implement earlier cut off times with regards to electronic payments, and should therefore take this into consideration when making payment. You may also have your own limit on the amount that can be paid via BPay[®]. It is your responsibility to check that the amount you wish to pay via BPay[®] does not exceed your limit.

Shareholders are responsible for making sure that any BPay[®] payments are made in time to become cleared funds in the account before close of business on the Closing Date. Delays may be experienced such that a BPay[®] transfer on the Closing Date is unlikely to be cleared funds by close of business on the Closing Date.

You should note that Enterprise may elect to close the offer at any time.

SHARE PURCHASE PLAN TERMS AND CONDITIONS

These terms and conditions are the terms and conditions of the Enterprise Metals Limited ACN 123 567 073 ("**Company**") 2016 Share Purchase Plan ("**SPP**") (as contemplated by Regulatory Guide 125 of the Australian Securities & Investments Commission and Class Order 09/425) and are binding on any shareholder completing a Share Purchase Plan Application Form ("Application Form") attached hereto.

1. The Offer

The Offer is an invitation to offer to subscribe for fully paid ordinary shares in the Company ("Shares") at \$0.018 per Share ("**New Share**") up to a maximum subscription of 833,333 New Shares (\$15,000)

You may refuse the Offer.

The Offer to each eligible shareholder is made on the same terms and conditions. The Offer is non-renounceable (i.e. you may not transfer your right to acquire a Share to anyone else).

2. Opening and Closing Date of the Offer

The Offer opens at 9.00am WST on Monday 22 February 2016. The Offer closes at 5.00pm WST on Thursday 10 March 2016. The Directors of the Company reserve the right to change the closing date of the Offer.

No late applications will be accepted.

3. Eligibility

You are eligible to apply for the New Shares if:

- (a) your registered address in the Company's register of members is in Australia or New Zealand or otherwise to any shareholder to whom an offer of securities under this SPP is not in breach of the securities laws of the country in which they reside; and
- (b) you were registered as a holder of fully paid shares in the Company as at 5.00pm WST on Friday, 16 February 2016.

4. Issue Price

The issue price for each New Share under the Offer is \$0.018. As required by ASIC Regulatory Guide 125, it is confirmed that the issue price is less than the market price for the Company's fully paid ordinary shares on 11 February 2016.

As required by ASX Listing Rule 7.2 Exception 15, the issue price represents at least 80% of the volume weighted average price for the 5 days in which trading in the Company's shares occurred.

The price represents an approximately 20% discount to the Company's volume weighted average share price for the 20 days traded prior to the day of announcement of the Offer on Wednesday 17

February 2016. It also represents a discount of approximately 13% to the volume weighted average share price for the 5 days traded prior to the day of announcement of the Offer on Wednesday 17 February 2016.

5. Rights Attaching

The rights and obligations of the New Shares are contained in the Constitution of the Company (which is available for inspection at the registered office of the Company during the period of the Offer). The New Shares will be issued on the same terms as all other ordinary shares in the Company and the Company will apply for the New Shares to be quoted on ASX.

If the New Shares are not quoted on ASX, the New Shares will not be issued and funds will be refunded.

6. Number of Shares

If you are an eligible shareholder, you can purchase up to a maximum of 833,333 New Shares for a consideration of \$15,000. Shareholders can select one of the following four alternatives:

Offer A	111,111 New Shares	Total amount payable at \$0.018 per New Share:	\$2,000
Offer B	277,777 New Shares	Total amount payable at \$0.018 per New Share:	\$5,000
Offer C	555,555 New Shares	Total amount payable at \$0.018 per New Share:	\$10,000
Offer D	833,333 New Shares	Total amount payable at \$0.018 per New Share:	\$15,000

The total costs of New Shares purchased by each eligible shareholder (including through joint holding(s), multiple share accounts or any holding in which they have a beneficial interest(s) must not exceed \$15,000. The Directors reserve the right to issue to an eligible shareholder less New Shares than the number specified in an Application Form (including only that number of shares per accepted Application Form that permits the Company to comply with ASX Listing Rule 7.1) for whatever reason, including to avoid the possible subscription of over \$15,000 worth of New Shares by a shareholder through multiple applications or joint holdings. No fractions of New Shares will be issued.

7. Maximum Number of New Shares to be Issued

The total number of New Shares under the SPP must not exceed 30% of the number of Shares currently on issue. The Directors have resolved to seek to raise \$500,000 under the Offer. However, the Directors reserve the right to reject any applications in whole or in part.

8. Participation Costs

You must pay the issue price per New Share and any fees or charges incurred by you in completing the Application Form, for example, bank fees or fees of professional advisors. No commission is payable by the Company on the issue of the New Shares and no brokerage applies.

9. Allotment of Shares

Subject to point 7 above, the New Shares will be allotted as soon as possible after the closing date.

The Company will send or cause to be sent to you a holding statement in due course.

10. Payment for The New Shares

All amounts in this Offer are expressed in Australian dollars. You must pay for the New Shares by BPay® following the instructions on the Application Form, or by cheque in Australian dollars made payable to "Enterprise Metals Limited". Please provide a cheque for the exact amount. If you do not provide the exact amount, the Company reserves the right to return your Application Form and cheque (in which case you will receive no New Shares) or issue you a lesser number of New Shares and (if necessary) return a portion of your funds. No interest will be paid on money returned.

11. Offers Under the SPP

The Company may make more than 1 invitation to acquire New Shares under the SPP in any 12 month period. Shareholders will not be able to acquire New Shares to a value exceeding \$15,000 pursuant to the SPP in any 12 month period. The Company may amend the terms of the SPP to provide for different terms to apply to different invitations. The Company may terminate the SPP at any time. Notice of invitations, the terms of invitations and termination of the SPP will be provided to ASX. (Although, failure to give notice will not invalidate the event.)

12. Application of SPP

The Company may act or omit to act in relation to the SPP (including applying the terms of the SPP) in its absolute discretion. The Company may settle any difficulty of question of fact or interpretation in relation to the SPP in any matter it thinks fit, whether generally or in relation to any participant, application or Share. The Company's decision will be conclusive and binding. The Company reserves the right to waive strict compliance with the terms of the SPP. The Directors of the Company or any delegate of them may exercise the powers of the Company under the terms of the SPP.

13. Risk

While the subscription price is, at the time of this Offer, at an approximately 20% discount to the volume weighted average market price of 2.3 cents per share over the last 20 days on which sales in Enterprise shares were recorded before the date of announcement of the Offer on 17 February 2016, subscription under the SPP is a speculative investment and the market price may change between the dates you apply for New Shares and the issue of New Shares to you. Accordingly, the value of New Shares applied for may rise or fall.

This Offer is not a prospectus and does not require the types of disclosures required under the Corporations Act. You must rely on your own knowledge of the Company, previous disclosures made by the Company to ASX, and, if necessary, consult your professional advisor when deciding whether or not to accept the Offer and participate in the SPP.

14. Privacy

By receiving completed Application Forms, the Company collects personal information about shareholders. The Company will use this information for the purposes of processing the Application Form and updating the records of the Company. Unless required by the law, the Company will not disclose the personal information for another purpose without the consent of the shareholder. Except as stated by the law, shareholders are able to access, upon request, their personal information held by the Company. For further information about how we manage your personal information or if you wish to obtain a copy of the Company's Privacy policy, please contact us.

15. Use of Funds

The application of funds raised pursuant to the SPP is described in the letter to shareholders dated Monday 22 February 2016 inviting them to participate in the SPP.
